1968 MIRROR

ALMA MATER

Biglerville High School we are bringing our gifts of homage due.
With songs and praises ringing, our debts we owe to you,
Other Highs all have their colors which are loved by young and old,
But the noblest and the fairest are Biglerville's black and gold.

When we enter life's great battle, and high school days are o'er
We will think of thee and love thee as ne'er we've done before.
Our hearts will surely linger, our lives will ever tell,
We love you, Alma Mater, true-hearted Biglerville.

FOREWORD

Each memory of this year is like a precious gem; as it is lovingly polished and cared for it glows more brightly. It is our hope that this book will help to capture and reflect the light of these memories and keep them forever, vivid and undimmed like a true mirror.

IN MEMORIAM

The sudden death of Mr. Bruce Sheats last May stunned the students and faculty of Biglerville High School. During the years in which Mr. Sheats was a member of the faculty, he helped hundreds of students along the road of education. He was dedicated to the school and was genuinely interested in all the students. He enthusiastically supported the athletic teams and attended many school functions.

Mr. Sheats' kindness was an inspiration to many people connected with the school. His good humor and wonderful personality cheered the spirits of many.

The Bruce Sheats Memorial Fund was established by contributions from the many people who loved and respected him. This money is being used to purchase books for a section of the library. The Bruce Sheats Mathematics Award was also presented for the first time last year.

The loss of another popular faculty member came in September of 1967 with the death of Mr. Donald Sterner. Mr. Sterner, a former guidance counselor, had a keen interest in athletics. He assisted with the coaching of the football squad and was extremely interested in track. He was well known for his dedication to the track squad. His untiring efforts helped to develop individuals as well as teams, which brought home trophies to Biglerville High School. Mr. Sterner added the sport of cross-country to the school's athletic program. Since he realized the need for girls' sports, he began the Biglerville High School Canerettes, an organization which soon developed into a group which included girls from several county schools.

Mr. Sterner was greatly admired for his strong devotion to athletics at Biglerville and his desire to make additional sports popular here.

In his honor, the Donald Sterner Track Memorial Award Fund was established by students and faculty. Given for the first time this year, it will serve as a reminder of Mr. Sterner's interests.

DEDICATION

We, the class of 1968, wish to dedicate this, our yearbook, to our advisor Mr. Laughman, who in the past six years has made it possible to complete our projects and to fulfill our dreams. To you, Mr. Laughman, we dedicate these memories of our high school years and hope that you have all the happiness and success that the future can bring.

School Board

Seated: Dale Ecker, Dean Asquith, Dr. W. North Sterrett.

Standing: Guy Deardorff, Paul Pitzer, Marvin Kime, George Martin, Hiram Rex.

Absent: John Pitzer.

The function of the School Board of the Upper Adams School District is to educate and train the students for a successful and contribution participation in our democratic society. This program is established under the supervision of the administration, the guidance department, and the teaching staff. Education is a continuing process and the School Board is responsible for hiring the best personnel to build this foundation.

With an ever increasing school population, the task of the School Board becomes more burdensome. Thanks to their wise decisions, problems are kept at a minimum. Communications, coordination and correlation of the entire school program are handled through the board. No task is too small for this group of men to handle.

American Field Service Exchange Students

This year the class of 1968 was fortunate to have as its A. F. S. exchange student Michael Wischnath from Gundhelm, Germany. Michael spent the year in the home of Dr. and Mrs. North Sterrett and family, Bill, Craig and Beth in Arendtsville.

Michael has a brother, age ten, and two sisters, age fourteen and sixteen. His father is a minister. Michael attends Ulrich-von-Hutten Schule. His school day lasts from 7:30 until 1:30. The school has an orchestra and a choir which meets during the school day. There is no sports program in connection with the school. However, the community sponsors such activities. Mike studied math, German, English for seven years, and Latin for five years, plus additional electives. He hopes to have his year's work from Biglerville accepted at his German school. If it is, he will have one year to complete when he returns to Germany.

Mike first heard of the American Field Service through his school and also in the newspaper.

This year Mike has been studying English, advanced math, physics, American history, economics, problems of democracy, and music theory.

This past summer, a member of our senior class, Mary Frances Grove, spent nine weeks in Sheffield, England, under the Americans Abroad branch of the American Field Service program. Francie stayed in the home of Mr. and Mrs. Harold Lamb and their family, Brian and Margaret. Most of the summer was devoted to travel and excursions to see various places of interest in England and Scotland. Several of the most interesting trips were to London, Edinburgh, Stonehenge, and Stratford-on-Avon. Francie found the scenery of England and Scotland to be very beautiful and hopes to return there. She was also impressed by the extreme friendliness of the English people.

Francie supports the A. F. S. program wholeheartedly. She feels it is a marvelous opportunity for American and foreign teenagers to be able to travel to other countries and to learn about the people and customs directly. "It is one of the best ways to erase national prejudices, because by living among the people of another country one will learn much about them which would be missed by merely traveling through the country."

Lions International Youth Exchange Program

For Pat and Dave the summer of 1967 was truly an unforgettable experience. They both represented the Lions International Youth Exchange Program. From the States the two journeyed by plane to the host city of Nagoya, Japan, a city with a population of about two and a half million people.

While there they each stayed with four separate families, for a period of about ten days with each host. Highlights of their six-week stay in the country included visits to Kyoto, Nara, Hiroshima, and Tokyo, and participating in Japanese sports. The youths learned of the food, customs, and a **little** of the language of Japan. Despite the good times, both Pat and Dave had trouble adjusting to the food and sanitation habits of the people.

On the way back, they stopped for a glorious four days in the Hawaiian sun and finally returned home August 20.

In September of 1956, we, the class of 1968, began our long careers as intellectuals by venturing into the world of Elementary School! After six long years of the 4 R's — reading, 'riting, 'rithmetic and recess — we finally reached the first high point in our careers — Sixth Grade Promotion. We could now leave the silly world of children and enter the final lap of our journey.

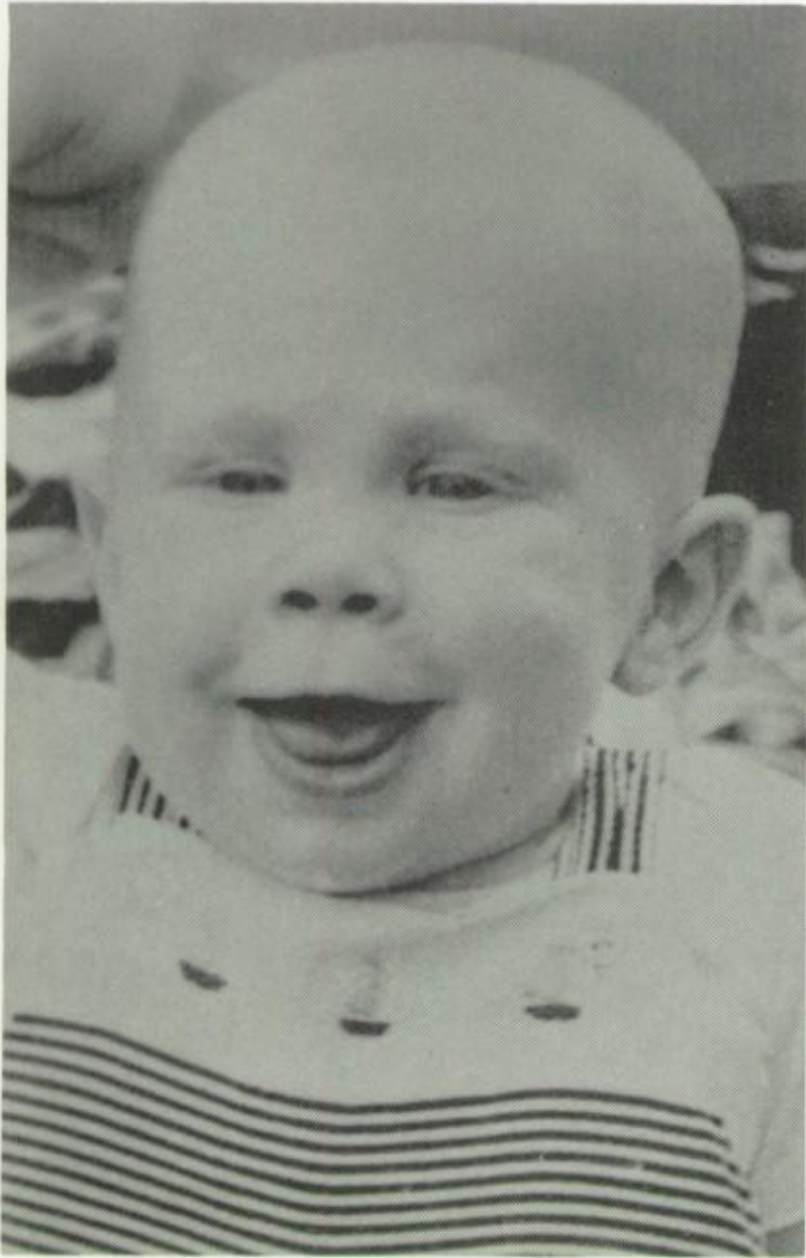

Despite the fact that several of us got lost in the endless halls, we all survived seventh grade under the leadership of John White, with Mr. Laughman as our advisor. Our next year was about as uneventful, although we were much wiser to the ways of the world. Once again President John White led us through our eighth year.

As Freshmen we began paying higher class dues to aid our class treasury. Following a thrilling tour to the courthouse where we witnessed an actual trial, we wrote essays on what we had observed. For this essay John Oyler further distinguished himself by winning first prize in the state. Pat Brown was our elected leader in our ninth year.

Early in our Sophomore year we began selling candy at all sorts of athletic events. Homework became one of our constant "companions," and in our spare time we picked blue sapphire as the stone for our class rings — AND we began driving. John Oyler was the class president.

The Junior year, with Vince Spangler as president, began with the arrival of our class rings. Besides holding a hoagie sale and sponsoring a play, we also found time to prepare a prom. After many Saturdays of painting, building and cutting trees under the leadership of David Thomas, the prom was finally completed. On May 20, 1967, we presented "The Old Plantation" to the Class of 1967.

Finally we made it — the most memorable year of our school days — our senior year. By selling cokes, candy apples, soft pretzels, and coffee, we filled our class treasury to the point where we were ready to go to New York. Our senior play, "The Solid Gold Cadillac," proved to be successful and we acquired Michael Wischnath. We endured the hardships of college boards and aptitude tests, ordering announcements, waiting for college acceptances, producing the **Mirror '68**, and finally our marvelous trip to New York.

After three festive days in the big city we returned to BHS to await graduation. At last the big day arrived — on May 29, 1968 we walked the sacred halls for the final time.

The Cannors enjoyed a fine season this year with a 7-3 record. Hard work and spirit were two of the strong points which held the team together. The team was sparked by an effective and powerful ground attack, and a sturdy, as well as aggressive front line. There were several individual standouts. Jay Swisher, Gerald Pitzer, and Bill Sterrett made the All-Conference Team and Bill also received honorable mention on the Big 33 squad.

The Cannors will lose many veterans who helped to post a two-year record of 15-3-2. Among them are Phil Carey, quarterback; Ken Guise, end; Buck Swisher, guard; Vince Spangler, tackle; Bill Sterrett, tackle; Steve Walde, guard; Ron Harlow, halfback; Rich Little, halfback; and Bob Lancaster, halfback and end.

Second Row: Steven Haller, Charles Galusha, John Oyler, Mr. Hills, coach; Gary Guise, Steve Gorman, Craig Lady.

The Cannons distance men turned in an admirable 7-2 record under the coaching of Mr. Donald Hills. This record was the best in the three-year history of the new Canner sport. Mr. Hills took over the duties of coach after the death of Coach Donald Sterner and continued the previous methods of Mr. Sterner. The team lost three Seniors after the 1967 season. They were: Captain John Oyler, Charles Galusha, and Steve Heller.

Third Row: Mrs. Sanders, Gayle Thomas, Martha Hawbecker, Jeanette Alexander, Marie Galusha, Sandra Wenk, Patricia Bohrer, Beth Arnold.

The girls' hockey team, under the guidance of Mrs. Sanders, displayed ability, determination, and grit, and their diligent efforts were rewarded by a record of two wins, two losses, and one tie. In practice and in the games, the girls learned the meaning of the words teamwork and sportsmanship. At the end of the season each senior was awarded a "B" for her efforts. The girls are looking forward to a winning season next year when many of this year's underclassmen will be returning as juniors and seniors.

The Biglerville High cagers were plagued the entire season by a setback that began in Junior High: a lack of experience, as was shown in their record. However, the boys, led by senior Phil Carey, who produced many points, did show strong determination and hustle.

The Canner matmen turned in a fine 8-5-1 record this year and seized the Westminster Christmas Tournament championship. This years' team consisted of seven seniors who sparked the team to 8 victories. Those seniors were: Steve Heller, 120; Dick Little, 138; Don Orner, 154; Buck Swisher, 165; Ron Harlow and John Lott, 180; and Bill Sterrett, unlimited.

Junior Varsity Wrestlers

First Row: Richard Mentzer, Michael Routsong, Robert Peters, Eric Taylor, Lynn Rebert.
Second Row: Mr. Moore, Dave Donharl, Douglas Williams, Dennis Dixon, Steve Heckenluber, Ronald Copenhaver, Roland Harlow, Greg Forsythe, Douglas Woodson, Ray Heintzelman.

Senior Girls' Basketball

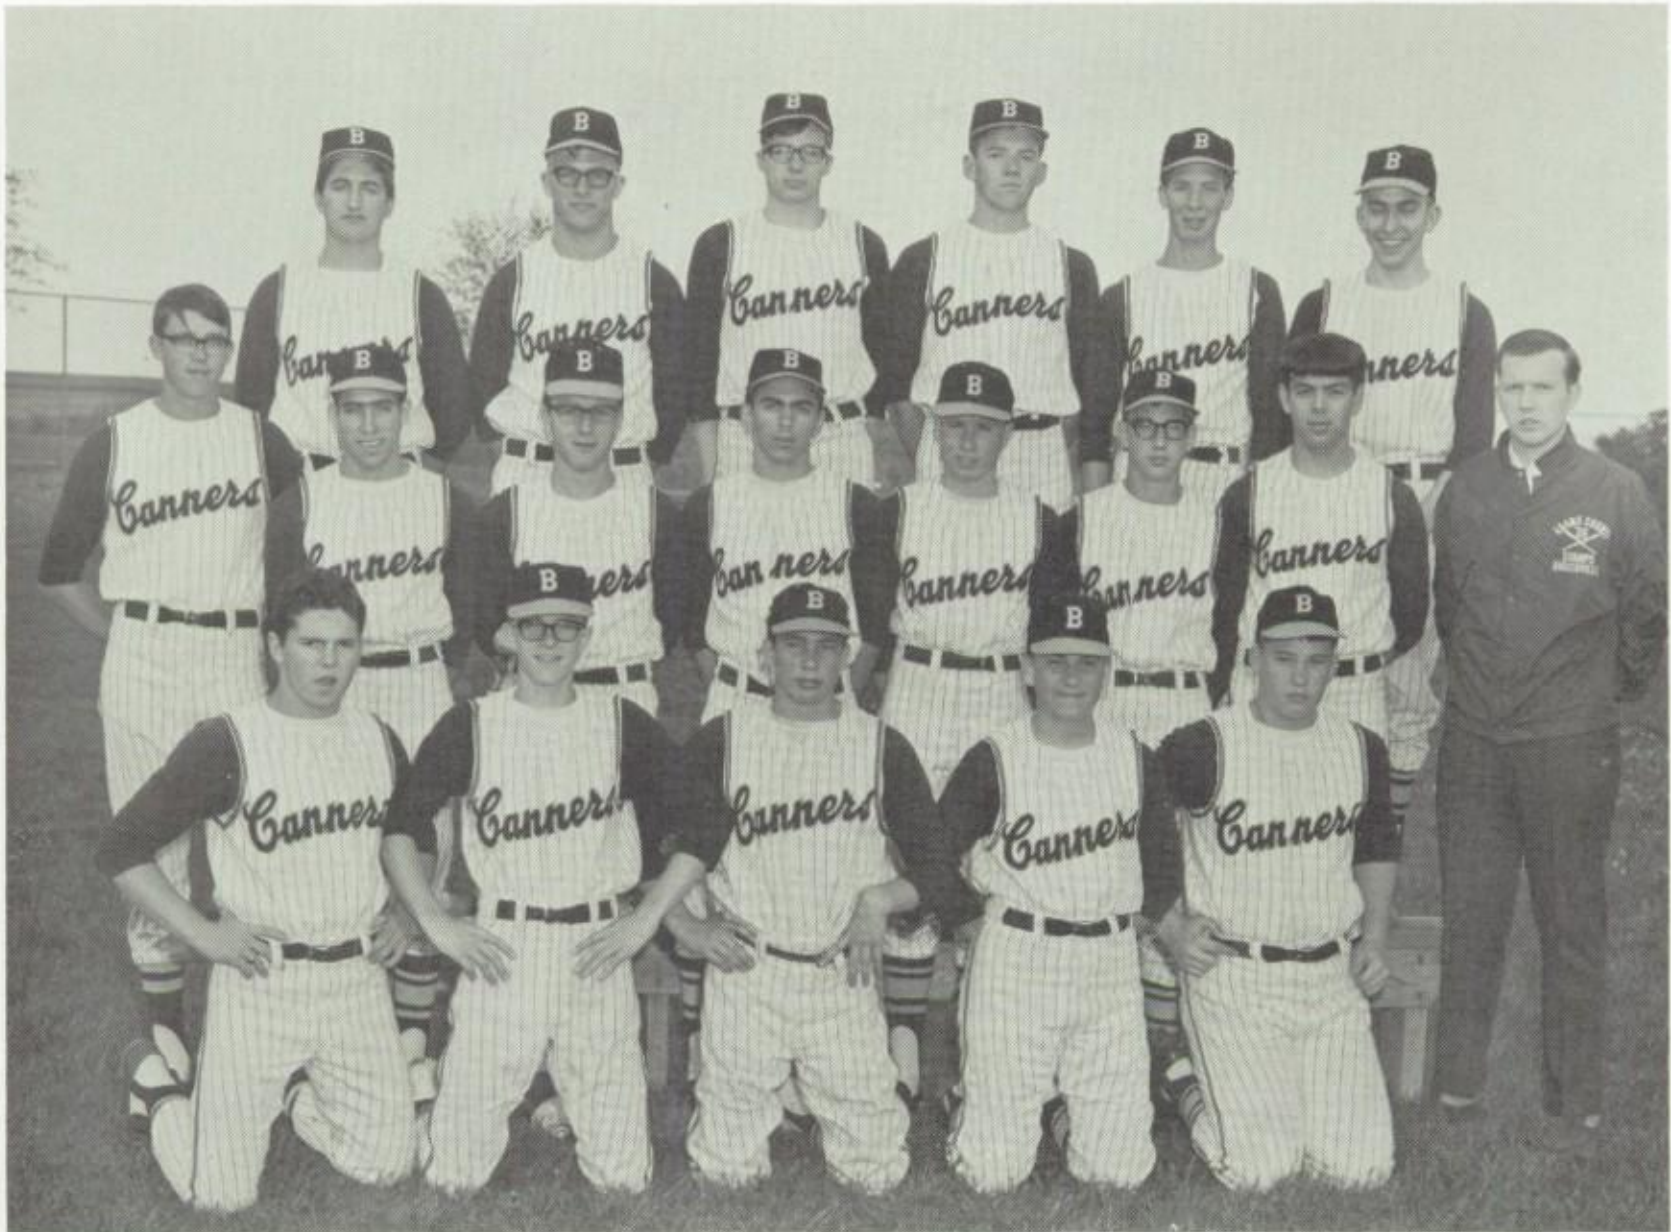

First Row: Carlotta Swisher, Nancy Heckman, Diane Taylor, Wendy Williams, Susan Tuckey, Trudy Grim.
Second Row: Faye Black, Linda Lawrence, Patricia Brown, Kathy Reed, Connie Fissel, Mary Frances Grove, Gail Alwine, Mary Ann Denisar.

The girls' basketball team, under the direction of Mr. Sanders, played two games this year. After only two Saturday morning practices, the girls defeated the Alumnae 22 to 14 for the first time in five years. They also played the Varsity Club boys who are not members of the basketball team.

Baseball

First Row: Richard Weaver, Randy Heller, Greg Weaver, Ronald Heller, Steve Guise.
 Second Row: Edgar McDannell, William Coradetti, Philip Culp, Donald Orner, Greg McCauslin, Scott Wenk, Richard Stover, Mr. Ratay.
 Third Row: Steve Walde, Daniel Wyckoff, Kenneth Guise, William Taylor, Van Clark, Kenneth Orner.

Coach Ratay's mound men of 1967 completed their annual season with a record of five wins and four losses, which can be considered a fine average season. The young team enabled Mr. Ratay to make a lot of substitutions which gave valuable experience to many non-starters. Mr. Ratay refers to this season as a building one, and plans for a more successful one next year.

First Row: Douglas Lady, Craig Lady, Robert Cline, Barry Jacoby, Kyriacos Kadithakis, Jeffrey Taylor, Richard Naugle, Philip Houck, Vincent Spangler, William Wright.

Second Row: Mr. Emanuel, Richard Little, Steven Heller, Gregory Lupp, Ronald Copenhaver, Larry Warner, Donald Horst, William Sterrett, Charles Galusha, Jay Swisher, Steve Gorman, Mr. Sterner. Lawrence, Douglas Koontz, Gary Guise, Thomas Nelson, Timothy Heller, Daniel Emanuel, Robert Naugle,

Third Row: Randy Barbour, Scott Brady, John Denisar, Steven Heckenluber, Joseph Coradetti, Michael Steve Haller.

Fine individual performances and team work helped post an excellent 9-0 record in dual meet competition for the 1967 track team. In the field events Vince Spangler broke the fifty-foot mark with a heave of 52 ft. 3 in. and Bill Sterrett broke the discus record with 154 ft. 8 in. The track events were as strong with John Oyler leading the pace. John holds the record in the 440 with a time of 49.5 sec. as well as the individual scoring record for a single year with 198 points. Barry Jacoby tied the century race with a time of 10.2 and set the triple jump at 42 ft. 8 in. Another fine section of the Canner team was composed of the relay teams. The 880 relay set a school record with a time of 1:32.1. Members of the 880 relay were Barry Jacoby, Jeff Taylor, Craig Lady, and Phil Carey. The mile relay, composed of Jacoby, Taylor, Lady, and Oyler was one of the best in the state with many trophies under their belts. It was climaxed by a second place at the state meet at which they tied the state record.
